```

The diagram illustrates a header file inclusion relationship. At the top is a gray box representing the header file 'SourceCatalog/SourceCatalog/PhotometryParsingException.h'. Below it are two white boxes representing source files: 'SourceCatalog/src/lib/CatalogFromTable.cpp' on the left and 'SourceCatalog/src/lib/PhotometryAttributeFromRow.cpp' on the right. Blue arrows point from each source file box up to the header file box, indicating that both source files include this header.
