

Euclid::Histogram::  
Binning::Scott::getBinEdges

```
graph LR; A["Euclid::Histogram::  
Binning::Scott::getBinEdges"] --> B["std::make_pair"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'Euclid::Histogram::' on the first line and 'Binning::Scott::getBinEdges' on the second line. The right box is white with a black border and contains the text 'std::make\_pair'. A blue arrow points from the right side of the left box to the left side of the right box.

std::make\_pair
