

Euclid::MathUtils::  
Differentiable::integrate

```
graph LR; A[Euclid::MathUtils::Differentiable::integrate] --> B[Euclid::MathUtils::Differentiable::indefiniteIntegral];
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box has a light gray background and contains the text 'Euclid::MathUtils::Differentiable::integrate'. The right box has a white background and contains the text 'Euclid::MathUtils::Differentiable::indefiniteIntegral'.
