

Euclid::SourceCatalog
::Photometry::find

```
graph LR; A[Euclid::SourceCatalog::Photometry::find] --> B[std::vector::begin]; A --> C[std::vector::end];
```

The diagram illustrates a function call. A gray box on the left contains the text 'Euclid::SourceCatalog::Photometry::find'. Two blue arrows originate from the right side of this box. The top arrow points to a white box containing 'std::vector::begin'. The bottom arrow points to a white box containing 'std::vector::end'.

std::vector::begin

std::vector::end
