

Euclid::Table::Row  
::operator[]

```
graph LR; A[Euclid::Table::Row::operator[]] --> B[std::vector::size]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'Euclid::Table::Row' on the top line and '::operator[]' on the bottom line. The right box is white with a black border and contains the text 'std::vector::size'. A blue arrow points from the right side of the left box to the left side of the right box.

std::vector::size
