

Euclid::MathUtils::
overlappingKnots

```
graph LR; A[Euclid::MathUtils::overlappingKnots] --> B[std::vector::begin]; A --> C[std::vector::end];
```

A diagram showing a function call. A gray box on the left contains the text 'Euclid::MathUtils::overlappingKnots'. Two blue arrows point from the right side of this box to two white boxes on the right. The top white box contains 'std::vector::begin' and the bottom white box contains 'std::vector::end'.

std::vector::begin

std::vector::end
